Message from Our Superintendent

Dear Tolleson Union High School District Community,

To say that the Thanksgiving holiday season will be much different this year is an understatement. Normally, we are looking forward to this time of year with the cooler temperatures and gatherings with the family. Alas, this year will be an opportunity for us to stop and prove how adaptable and resilient our community can be. Much the way our students and teachers have so admirably pivoted from the norm to find different ways to deliver and receive academic instruction. As we head towards the stretch run of the first semester of the 2020-2021 school year, we are reminded that we are truly in this together. I am proud of how our students have adapted and taken into stride the first part of this school year. We are hopeful that 2021 will bring about some changes in the fight against this pandemic. One thing is certain. The Tolleson Union High School District will always have the best interests of its students, parents, and employees to ensure we are all kept as safe as possible. That is what will guide our decision
