STUDENT AUTOMOBILE USE AND PARKING

I acknowledge and understand that:

- Students are permitted to park on school premises as a matter of privilege, not of right.
- Students will register their vehicles and pay any required fees if they intend to drive to school.
- All vehicles must be properly licensed and insured in the state of Arizona.
- A student must have a valid Arizona driver's license.
- The parking decal or hanger must be visible and affixed to the vehicles in a manner specified by the school administration.
- The District retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property.
- The District may inspect the interiors of a student's automobile whenever a school authority has a reasonable suspicion to believe that illegal or unauthorized materials are contained inside the automobile.
- Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
- A student who fails to provide access to the interior of the automobile upon request by a school official will be subject to school disciplinary action.
- If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition.
- Students are not permitted to loiter in parking areas or in cars.
- A student may not have access to his/her vehicle during the school day.

I have read and understand the rules that allow me to park on the school campus. I understand that failure to follow these rules can result in disciplinary action including the loss of my parking privileges, suspension from school, and my vehicle being towed at my expense.
