Statement of Awareness 2024

You are responsible for understanding procedures regarding

ATTENDANCE, STUDENT CONDUCT, & TRANSPORTATION

Page 3 of 4 for Registration/Agreements

Attendance

I understand: Students must attend the Summer School in person or online for the full sessions. All face-to-face classes require full in person attendance. The student will be withdrawn from the course and receive **NO** credit if the student misses class periods. Virtual students must also attend classes daily. The typical Summer School student accomplishes the same amount of work in one day that would be completed in two weeks' time during the regular school year, making daily attendance a requirement.

Student Conduct

Students attending the Summer School are governed by the same rules and policies as the students enrolled in any of the TUHSD schools. These rules are specified in the District Student Handbook, which is online at www.tuhsd.org. These same policies apply to virtual students.

Virtual Online (Distance Learning Students Only)

Students will check-in with their teacher daily and will work asynchronously to complete course requirements. Teachers will provide optional live instruction sessions via **TEAMS** from **9:00 am- 10 am** and will be available to provide 1:1 support between the hours of **8:00 am- 2:00 pm**. Due to the accelerated timeline, students should expect to spend approximately 5 hours per day completing course activities to completing course requirements and successfully earn credits.

Transportation

The Tolleson Union High School District offers transportation for students who reside within the district's boundaries via corridor bus stops. Students should be at their pickup location at least 10 minutes prior to their scheduled pickup times to ensure that they do not miss the bus. If a student misses the bus, he/she will need to find transportation to school. Students who drive to school or to a bus stop must obey all traffic rules. Students must drive in a courteous manner. Any instance of dangerous or disrespectful driving will result in the loss of driving privileges and/or possible disciplinary action.
